Respected Mr. Ramanan Sir,

Greetings!

We are pleased to inform you that the Department of MCA is organizing a **Three-Day Student Training Program on “Internet of Things (IoT)”** for the students of **II MCA**, scheduled from **12th August 2025 to 14th August 2025**.

In this regard, we kindly request you to **serve as the resource person** for this training program. Your expertise in the domain of IoT and embedded systems would greatly benefit our students in gaining practical knowledge and technical skills in the area.

The training sessions are aimed at providing hands-on experience in interfacing sensors and actuators, cloud-based data handling, and developing mini-projects using platforms like Arduino, Raspberry Pi, Firebase, and ThingSpeak.

We sincerely hope you will accept this invitation and contribute your valuable time and knowledge to the success of this program.

Looking forward to your positive response.

Note : Herewith enclosed the IOT Lab Syllabus for your reference

With warm regards,

--

I wish to bring to your kind notice that I have received an invitation from the Department of MCA to serve as a resource person for a Three-Day Student Training Program on “Internet of Things (IoT)” scheduled from 12th August 2025 to 14th August 2025 for the II MCA students.

The training sessions are intended to provide hands-on experience in IoT and embedded systems, including topics like interfacing sensors, actuators, cloud-based data handling, and mini-projects using platforms like Arduino, Raspberry Pi , ESP32 and ThingSpeak.

I believe that sharing my knowledge and expertise in this area would benefit the students and contribute to our institution's academic activities. I assure you that I will handle my regular duties without any hindrance during this period.

Therefore, I kindly request you to grant me permission to serve as the resource person for this training program.

I look forward to your favorable consideration.

Thanking you,

R. Ramanan M.E., (Ph.D)
