Respected Sir,

Through Head of Department

Sub : Reporting For Inadequate Classroom control / Poor Class Management -

Reg

I am handling Professional development course for III CSE class on 28.01.2026 at 01.42 pm, For handling seminar activities in that particular class, Some students took seminar classes as previously allocated topics.

some of them didn't come with preparations, those who gave punishment to stand at class entrance and gave some topics to study.

While at whole class, I am at roaming and monitor all students activities ,May be while we are in discussion it may thought that class was not control stage.

I am assure and reporting that Class was conducted as per regular policies,

Thanking You,

Y. Priya
