Dear Mam,

Greetings from E.G.S. Pillay Engineering College (Autonomous), Nagappattinam.

The Department of Civil Engineering is organizing a 6-days Online Faculty Development Program (FDP) titled **"Data Science for Civil Engineering Professionals"** from **February 16th to 21st, 2026**.

Given your extensive expertise in the field, we are honored to invite you to serve as a Resource Person for this program. We believe your insights will greatly benefit our participants, who consist of faculty members and industry professionals eager to bridge the gap between traditional engineering and modern data analytics.

Session Details for Your Reference:

- **Topic:** Predictive Analytics in Construction: Forecasting Project Delays and Cost Overruns with Power BI
- **Date:** 20.02.2026
- **Session:** Session 2
- **Time:** 06:45 PM to 08:15 PM

About the FDP: This program explores the transformative role of data science in smart city planning, environmental sustainability, and construction management. It emphasizes a multidisciplinary approach, leveraging predictive tools and visualization to streamline decision-making in digital infrastructure.

Please let us know if you accept this invitation. We would also appreciate it if you could share a brief profile/bio and a photograph for our introductory slides.

Should you have any questions, please feel free to reach out us:

Mr. S. Shyam Sundar: +91 9159493377

Mr. A. Pirakasam: +91 9942012008

We look forward to your positive response and to a successful session.

Thanks & Regards,

Mr.A.Pirakasam

Assistant Professor/Civil

E.G.S.Pillay Engineering College, Nagapattinam.
