

ABOUT THE AUTHOR

Dr. R. Manivannan is a distinguished academician, researcher, and administrator in engineering education. He earned his B.E. in Electronics and Communication Engineering from Anna University in 2006, followed by an M.Tech in Computer Science and Engineering from SASTRA University in 2009, and a Ph.D. in Information and Communication Engineering from Anna University in 2017. He currently serves as Professor in the Department of Information Technology at E.G.S. Pillay Engineering College. With over 25 publications in reputed journals and conferences, his research interests include network security, anonymity networks, grid computing, sustainable computing, and IoT. He is also actively involved in accreditation processes and serves as a reviewer for leading international publishers.

Dr. Sugumaran V.R. is an Engineer by qualification and holds a Doctorate in Information and Communication Engineering from Anna University, Chennai. He obtained his Master's degree in Computer Science and Engineering from a reputed Deemed university and his Bachelor's degree in Computer Science and Engineering from Bharathidasan University, Tiruchirappalli. He has more than 20 years of experience in teaching and academia. He has published 20 research papers in SCI and Scopus-indexed journals, contributing to the fields of computer science and network technologies. He is currently working as an Assistant Professor in the Department of Cyber Security, E.G.S. Pillay Engineering College (Autonomous), Nagapattinam, affiliated with Anna University, Chennai. His research interests include Mobile Networks, Cloud Computing, and Network Security. He is also a Lifetime Member of the Indian Society for Technical Education (ISTE), International Society for Research and Development (ISR D) and Institute of Research Engineers and Doctors (IRED).

Mr. A. Rajesh is an academician and researcher with a strong interest in Computer Science and emerging technologies. He completed his B.E. in Computer Science and Engineering and M.E. in Computer Science and Engineering from Anna University. He is currently pursuing his Ph.D. at Anna University, with his research focused on the domain of Cloud Computing. He currently serves as an Assistant Professor in the Department of Information Technology at E.G. S. Pillay Engineering College, Nagapattinam. His academic and research interests include Cloud Computing, Distributed Computing, Cloud Security, and emerging computing technologies. He is actively involved in teaching, student mentoring, academic activities, and research-oriented initiatives in the field of Information Technology.
