

Student Achievement Under My Guidance

U. Pradeep and **H. Sabith Mohamed**, III Year B.E. Biomedical Engineering, have secured **Second Prize in the Paper Presentation Event** at **TECHNOTHRIST'26**, a **National Level Students' Technical Symposium** organized by **A.V.C. College of Engineering, Mannampandal**, held on **25 September 2026**.

The students presented their innovative research paper titled **"IoT-Based Contactless Patient Monitoring Using Radar Sensors"** under the guidance of **Dr.R.Venkatesan, ASP/BME**.

Their achievement reflects their technical knowledge, innovative thinking, research aptitude, and effective presentation skills in the field of Biomedical Engineering.
