

24.03.2026

Welcome Letter

We are delighted to welcome your students to the **Electrical and Electronics Engineering Internship Program** being conducted across various project locations (Solar Plants - Rajapalayam & Tiruvannamalai). This program is designed to provide practical exposure in solar site testing, and advanced technologies such as Vacuum Circuit Breakers (VCBs), Relays CT, PT and Transformer testing.

We had selected the below listed candidates for the internship program from your department/college.

Kind Attn: Dr. T. Suresh Padmanabhan – Professor –E.E.E

Name of the Students:

Dept: EEE - IIIrd Year

Mr. M. DHANRAJ &

Mr. S. BALAKUMARAN

Venue: Rajapalayam & Tiruvannamalai

Date: 25.03.2026 – 01.04.2026

You are encouraged to actively participate, maintain discipline, and uphold the reputation of the department and college. We are confident that this internship will enrich your technical knowledge and prepare you for future professional challenges.

We wish you a successful and rewarding internship experience.

With regards,

D.KATHIRAVAN

Manager/Co-Ordinator
