Nothing

Give a real time examples

It's good keep doing .

Sometimes the concepts are explained a bit too fast. If you could go a bit slower, it would help me take proper notes and understand better.

Can you explain this concept in Tamil and English? It will help us understand this concept more easily.

Already It's good 🙏

This way of teaching is good for understanding.

Include more real-time examples and short practical demos to make the concepts clearer.

Give more real time example easy to understand thank you

Good

Going to be too fast

Take a class with slowly

No suggestion

Everything is good

Little Bit of Speaking in Tamil an Helpful For Understanding

Good

Little bit slow
