Good day Sir,

Greetings from E.G.S. Pillay Engineering College.

As discussed with Dr. M. Vinothkumar, Professor / EEE, I am officially writing to request a project opportunity for the following students of our institution at your esteemed organization:

- **8208E22EER004** – Akash E
- **8208E22EER009** – Bharathraj V
- **8208E22EER016** – Jaisuriya J
- **8208E22EER020** – Kalaiyarasan P

As per the academic schedule, they will be available to commence the project from **18.08.2025**.

Your organization has provided training to our students in the past, which has been beneficial to their academic and professional growth. In view of our continued collaboration, we would like to propose establishing a **Memorandum of Understanding (MoU)** between our institution and your organization to formalize our partnership and further strengthen industry-academia interaction.

We kindly request your consideration and support for both the student project opportunity and the MoU proposal.

Best Regards,

K. GOKULRAJ,

Placement Officer and Internship Coordinator,
