Date: 20th February 2025

To,

The principal,
EGS Pillay Engineering College,
Nagore, Nagapattinam,
Tamilnadu-611002

Kind Attn: HOD/ECE

Dear Sir/Madam,

Sub: Quotation / Proposal for Cadence Standard Bundle

Entuple Technologies is an organization dedicated to enabling customers with global cutting-edge technology solutions, support and services. Entuple strongly believes in simulation driven product development and advocates it to ensure 'first time right' products and solutions. Entuple expertise in cutting edge technologies has drawn world leaders in CAE & EDA to its side. Hand in hand with these pioneers, Entuple goes all out to create a difference in the Indian ESDM market. Entuple works closely with the Indian Aerospace, Defense, PSUs and SMEs community enabling them to design products which can hold its own in the world market.

Head quartered in Bangalore with offices across 12 major cities across India, Entuple through its Business Units Computer Aided Engineering (CAE) and Entuple Advanced Solutions initiative (EASi) is committed to bringing cutting edge technologies from around the world, including India to the Engineering Community. Driving the technology adoption and revival along with technology leaders, Entuple focusses on bridging the ever growing, ever existing gap between the Industry and Academia.

We strongly believe that our offerings enhance the Knowledge, Skill and in turn increases Employability of the students in their chosen domains and are pleased to offer .in the following areas, hyperlinks included to provide additional information

- [VLSI Design - Cadence](#)
- [Complete IoT Solutions-](#) Tru-IoT
- [Simulation Driven Product Development](#) - Ansys
- Rapid Prototyping – [PCB Chemical](#) – Bungard and [Non-Chemical](#) - MITS
- Additive Manufacturing - [Additive Minds Academy](#) and [Printing Solutions](#) - EOS
- [Power Electronics, Drives & e-Mobility solutions](#) - Wavect
- [Test & Measurement – Signal Generator, VNA, OSA, BERT](#) - Anritsu
- [Network Cyber Security – Nivetti Systems](#)
- [Internships, Skill & Career Development Programs](#) - Abhiyantha

We are pleased to submit our offer along with the pertinent terms and conditions as per the enclosed annexure 1. We hope and trust our offer is in line with your requirement and look forward to receiving the purchase order and to a symbiotic long-standing association with your institution in the years to come.

We assure you our best attention at all times.

Thanking you

Yours Truly,

Sathish.G
Sales Manager – TN & PY
Sathish.gnanaraj@entuple.com

Entuple Technologies Pvt. Ltd.

No 211, (Ground and First Floor), Outer Ring Road,
East of NGEF Layout, Kasturinaragar, Bengaluru - 560043

Quotation for Cadence Standard Bundle

SL No	Description	Users/ Tasks for 3 Years	Quantity	Extended Price (INR)
1	Cadence Standard Bundle (SB2Y05L)	5	1	4,23,728.00
			GST at 18%	76,271.00
			Grand Total	4,99,999.00
Total Inclusive of GST (in words): Four lakhs and Ninety-Nine Thousand Nine Hundred and Ninety-Nine Only				
NOTE: SB2Y05L Bundle Offer Valid Till Feb 28th Only				

SL No	Description	Users/ Tasks for 3 Years	Quantity	Extended Price (INR)
1	Cadence Standard Bundle (SB3Y10L)	10	1	7,80,000.00
			GST at 18%	1,40,400.00
			Grand Total	9,20,400.00
Total Inclusive of GST (in words): Nine lakhs and Twenty Thousand and Four Hundred Only				

Note:

- Entuple Technologies does not supply Operating System (OS) and the scope of this offer does not include OS installation, Networking and anything related to the Institution's IT infrastructure.
- Institution is expected to arrange installation of the required OS following the instructions provided in recommended System Requirement document* in the Proposal.
- Post Installation training agenda enclosed in the proposal for maximum five faculty members.
- For any Specialized training programs, please refer to <https://www.abhiyantha.com/>.

Terms and Conditions

Sl. No	Terms & Conditions	Description
1	Purchase Order	Is deemed to be complete only along with duly signed USLMA, Lab Readiness Kit (LRK), (USLMA applies to all orders accepted by Cadence).
2	Price	The quoted prices are F.O.R. to your institute and inclusive of all handling charges including packing & forwarding to the site of installation.
3	Quote Validity	Offer is valid for 15 days after which it will be subject to our confirmation / revision before accepting any order.
4	Taxes	Above quoted prices are inclusive of GST. GST has been charged @ 18%. If there is a change in Government policies, the GST will be charged as per the prevailing rate at the time of delivery.
5	Payment Terms	100% advance along with firm purchase order. Please note that the full-term license will be provided only after 15 days after receipt of 100% payment.
6	Delivery	Within 4 – 6 weeks from the date of acceptance of firm purchase order by Entuple.
7	Warranty	One year from date of installation.
8	Region	Prices quoted in this proposal apply to products delivered and installed for use in Asia (excluding Japan).
9	Cadence University Software License and Maintenance Agreement (USLMA):	To be signed along with the PO and sent to us for forwarding to Cadence to avoid delay in invoicing and shipment. We have attached USLMA PDF format herewith for your reference.
10	Primary Contact Information	Phone (Mobile or Land line) of the following members must be provided along with PO. i. Director /Principal ii. Head of the Department. iii. Primary Contact / End user.
11	Cadence Agreement Acceptance	All Cadence agreements for license, sale, services, and maintenance are effective only after acceptance by an authorized officer of Cadence at its offices in Dublin, Ireland.
12	Method of delivery	Notwithstanding anything to the contrary in the USLMA between the parties, the licensed software shall be delivered at your end. Cadence shall have the right to select the method of delivery for the products, which generally shall be via electronic means using the Cadence EDA on Tap functionality.
13	Technical Support	The technical support for the period of license term.
14	Advanced Training	Contact Sales Representative for detailed information and pricing for on-site and customer site training, beyond 2 days.

Entuple Technologies Pvt. Ltd.

No 211, (Ground and First Floor), Outer Ring Road,
East of NGEF Layout, Kasturinaragar, Bengaluru - 560043

15	Software License Rehost Fees	Cadence software products are licensed for use on a specific hardware unit and in accordance with the USLMA. The Cadence software may only be rehosted to another hardware unit if covered by a current maintenance contract and the rehost fee has been paid. Please contact us for pricing information.
16	Rehost of Existing Licenses	Cadence also requires the payment of incremental price differences for the rehost of existing licenses to other geographical regions reference appropriate International.
17	Support Services	Maintenance Services includes Source Link™ Communications, bug fixes, telephone and critical on-site support.
18	Force Majeure	Standard force Majeure conditions apply and Entuple shall not be responsible for any delay on account of this.
19	Disclaimer	Entuple reserves the right to accept / reject any Purchase / Work order arising out of this offer without assigning any reason thereof.
20	Order to be placed on	Entuple Technologies Pvt. Ltd. No 211, (Ground and First Floor), Outer Ring Road, East of NGEF Layout, Kasturinagar, Bengaluru - 560043
21	DD / At Par Cheque	To be drawn in favour of "Entuple Technologies Pvt. Ltd.
22	Policy	Change in company policy and prices will overrule any old prices without any further intimation.
23	License Feature Set	Please find the enclosed details of the license features awarded here under.
24	Installation	Online installation Support
25	Training	Online training will be provided for two days. Please refer the agenda for post installation training section.

LAB INCHARGE		CONTACT		EMAIL	
PLACE		DATE			

Suggested System Requirements and Lab Set-up

Operating System	Hardware Requirements				Operating System Requirements
	Hard Disk Space		Size of the RAM		
	Minimum (GB)	Recommended	Minimum (GB)	Recommended (GB)	
R	Server:	Server: 1TB	Server: 16	Server: 32	RHEL 8.7 (64Bit)
H	500				
E	Clients:	Clients: 1TB	Clients: 16	Clients: 32	
L	500				

Note: Default Linux installation packages do not carry dependent files for running Cadence EDA Tools. Linux should be installed with full optional packages selected by choosing “Server With GUI” option at the time of installation. **A higher configuration system is recommended for the latest tools of Cadence. The system requirements vary with the design complexity. A lower or compatible version will be installed if the systems are of lower configuration. Kindly discuss with our executive if the system is of lower configuration. Along with these, below mentioned are some other requirements that are required for the set-up.**

Sl. No	Description for Lab Readiness	
1	Firewall must be disabled on all the client machines and the server. Has it been done?	Yes ☐ No ☐
2	Server as well as the client machines should be assigned a static IP address and a hostname connected in LAN. Has it been done?	Yes ☐ No ☐
3	All the client machines should be able to ping the server with the IP address of the server as well as the hostname of the server with 0% packet loss. (Please use ping command.) Has it been done?	Yes ☐ No ☐
4	The client machines should also ping themselves with their respective hostname and the IP address. Has it been done?	Yes ☐ No ☐
5	Client machines’ date and time should be in proper sync with the server. Has it been done?	Yes ☐ No ☐
6	A separate login can be created for the root and the user in the client machines. Has it been done?	Yes ☐ No ☐
7	Ftp and telnet should be enabled. Has it been done?	Yes ☐ No ☐
8	Server / Clients should have a DVD reader. Has it been done?	Yes ☐ No ☐
9	Host ID or Mac Address of the server should belong to “eth0” Ethernet port. Has it been done?	Yes ☐ No ☐
10	Does the Server and Client machines are installed with Redhat Subscription?	Yes ☐ No ☐
11	If Redhat Subscription is not available, install all the linux packages using the “Customize Now” option. Refer to the above youtube links for linux installation	Yes ☐ No ☐
12	Linux Installation media and Lab Incharge / IT Admin should be available at the time of installation	Yes ☐ No ☐

Entuple Technologies Pvt. Ltd.

No 211, (Ground and First Floor), Outer Ring Road,
East of NGEF Layout, Kasturinaragar, Bengaluru - 560043

AGENDA FOR POST INSTALLATION TRAINING

Day 1

FULL CUSTOM DESIGN FLOW

- Introduction to Full Custom IC Design Flow
- Cadence Solutions for Custom IC Design
- Schematic Capture using Virtuoso Schematic Editor
- Symbol Creation
- Testbench Creation using Virtuoso Schematic Editor
- Functional Simulation using Spectre
- Layout Design using Virtuoso Layout Editor
- Physical Verification which includes DRC & LVS
- Parasitic Extraction using Quantus
- Post Layout Simulation
- Generation of GDSII

Note:

- The entire Full Custom IC Design Flow will be demonstrated by considering CMOS Inverter as an example.
- 1-day Training for new customers.
- The same case study will be demonstrated for renewal orders as a half-day session.

Entuple Technologies Pvt. Ltd.

No 211, (Ground and First Floor), Outer Ring Road,
East of NGEF Layout, Kasturinagar, Bengaluru - 560043

Day 2

SEMI-CUSTOM DESIGN FLOW

- Introduction to Semi-Custom IC Design Flow
- Cadence Solutions for Semi-Custom IC Design
- Functional Verification using Incisive
- RTL Synthesis using Genus Synthesis Solution
- DFT (Design for Testability) using Modus
- LEC (Logical Equivalence Check) using Conformal
- Physical Implementation using Innovus that includes
 - ✓ Floor Planning
 - ✓ Power Planning
 - ✓ Placement
 - ✓ CTS
 - ✓ Routing
- Timing Analysis using Tempus
- Power Analysis using Voltus
- Parasitic Extraction
- Generation of GDSII

Note:

- The entire Semi-Custom IC Design Flow will be demonstrated by considering 8-bit Counter as an example.
- 1-day Training for new customers.
- The same case study will be demonstrated for renewal orders as a half-day session.

Standard Bundle Specification
Conformal® Low Power GXL
Genus™ Low Power Option, Genus™ Physical Option, Genus™ Synthesis Solution
Cadence® SKILL Development Environment
Virtuoso® Schematic Editor Verilog Interface
Virtuoso® AMS Designer Environment
Virtuoso® Schematic Editor XL
Virtuoso® ADE Assembler
Virtuoso® Layout Suite GXL
Voltus™-Fi Custom Power Integrity Solution XL
Innovus™ Mixed Signal Option
Innovus™ Hierarchical Design Option
Innovus™ Implementation System
JasperGold® Formal Verification Platform
Modus DFT Option
Modus ATPG - Distributed Base
Innovus™ DFM Option
Pcell Generator
Cadence® Pegasus™ 16nm Node
Cadence® Pegasus™ Design Rule Check
Cadence® Pegasus™ Layout vs. Schematic Check
Cadence® Pegasus™ DFM Fill
Cadence® Pegasus™ Results Viewer
Cadence® Pegasus™ Programmable Electrical Rule Check
Cadence® Pegasus™ Interactive
Cadence® Pegasus™ Design Review
Cadence® Pegasus™ User Interface
Cadence® Pegasus™ Design Review Layout and Mask Data Viewer
Cadence® Quantus™ Extraction XL
Cadence® Quantus™ Advanced Analysis GXL Option
Cadence® Quantus™ Advanced Modeling GXL Option
Sigrity™ Advanced SI II
Sigrity™ Advanced PI II SystemPI Option
Allegro® Venture PCB Designer
Spectre® RelXpert Reliability Simulator
Spectre® AMS Designer
Spectre® MMSIM with Spectre X Simulator
Tempus™ Timing Signoff Solution XL
Voltus™ IC Power Integrity Solution XL (VTS-XL)
Tempus™ Timing Signoff Solution ECO
vManager™ Project Server
vManager™ Linux Client (Quantity 5)
Xcelium™ Single Core & Xcelium™ Digital Mixed Signal Option
