(i) R. Kavi Bhana Thi (8208124036) / 1st March = M. Ganthosh [084]
 R. Lokasri (8208124170036) / 017
 R. Natchathina (8208124036) / 017
 A. Roshini (8208124036) / 017
 S. Selvamani [093]
 S. Jambulingam [020]
 V. Durairajan [019]

- 1) Select the suitable answer
- Innovation distinguishes products and services from competitors in crowded markets. *Differentiator*
 - It allows organizations to enter new markets and create new revenue streams. *Growth Accelerator*
 - Implementing new processes—like AI-driven manufacturing—increases productivity and reduces production costs. *Operational efficiency*
 - Innovative companies adapt quickly to technological shifts and disruptions, such as pandemic-induced changes. *Resilience & Agility*
 - Customers enjoy the convenience of online browsing with immediate, in-store pickup. *Increased sales*
 - Real-time inventory tracking reduces stockouts and optimizes inventory levels. *Operational efficiency*
 - Personalized shopping experiences increase brand affinity and repeat purchases. *Customer Loyalty*
 - The company survives the disruption by bridging the gap between digital and physical, rather than losing market share to purely digital competitors. *Long-term sustainability*

(Increased Sales, Operational Efficiency, Growth Accelerator, Resilience & Agility, Long-term Sustainability, Customer Loyalty, Differentiator)

ii) Find the characteristics of Entrepreneurial leaders
