Course Outcomes Based Questions

Please Indicate Your Response:

(1 = Strongly Disagree, 2 = Disagree, 3 = Neutral, 4 = Agree, 5 = Strongly Agree)

CO1-SENSORS

1. How well were you able to understand the functioning and components of ICU/CCU patient monitoring systems?

1

2

3

4

5

2. How confident are you in explaining the principles and applications of telemetry (single & multi-channel)?

1

2

3

4

5

3. How effectively did the course help you relate telemetry applications to real-time ECG/EEG monitoring?

1

2

3

4

5

CO2- SIGNAL PROCESSING

4.Howwelldoyouunderstandtheworkingprinciplesandclinicalusesofdifferendiathermy techniques (IR, UV, SWD, microwave, ultrasonic)?

1

2

3

4

5

5. How confident are you in explaining electrosurgical units, current waveforms, tissue responses, and safety procedures?

1

2

3

4

5

6.How effectivelydid the coursehelp youidentify hazards andsafety measures associated with diathermy equipment?

1

2

3

4

5

**CO3 - Ultrasonic Equipments**

7.Howwellwereyouabletounderstandultrasoundphysicsandechotechniques(A,B,M modes)?

1

2

3

4

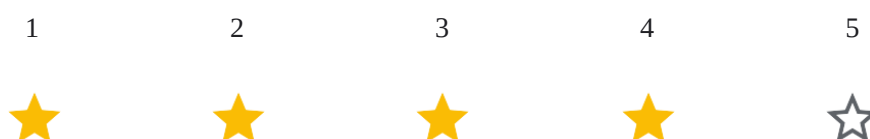

5

8. How confidently can you explain the diagnostic applications of ultrasound (cardiac, abdominal, obstetrics, ophthalmology)?

9. How effectively did the course enhance your understanding of B-scan and tissue interaction with ultrasound?

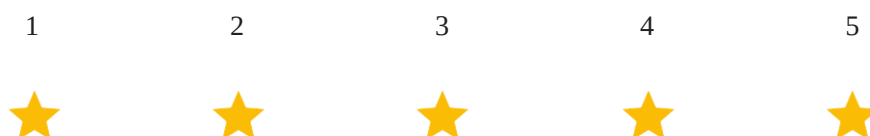

CO 4 - Extra-corporeal Devices & Special Diagnostic Techniques

10. How well do you understand the functioning and components of heart-lung machines and dialysers?

11. How confident are you in explaining special diagnostic techniques such as lithotripsy, endoscopy, laparoscopy, and thermography?

12.How effectivelydid the coursehelp yourelate extracorporeal deviceprinciples to clinical applications?

CO 5- WIRELESS MONITORING SYTEM

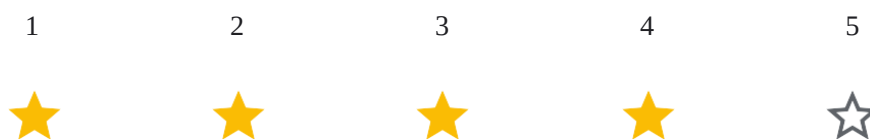

13.Howwelldoyouunderstandmacro-shockandmicro-shockhazardsandtheir physiological effects?

14. How confident are you in explaining electrical safety standards, isolated power systems, and protection methods?

15.How effectivelydid the coursehelp you understandthe use ofelectrical safety analyzers in a hospital environment?

GeneralFeedbackonTeaching&CourseDelivery

PleaseIndicateYourResponse:(1=StronglyDisagree,2=Disagree,3=Neutral,4=Agree, 5 = Strongly Agree)

16.The instructor explained concepts clearly and effectively.

17.Thelearningmaterials(PPT,Notesetc.)supportedunderstandingof the
subject.

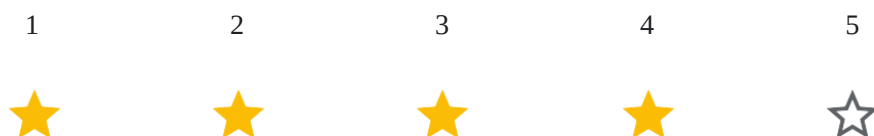

*

18.The instructor encouraged questions, interaction, and discussion.

19.Assessments (tests/assignments) were fair and aligned with learning outcomes.

20. Overall, I am satisfied with the course delivery and teaching quality

Suggestions and comments regarding the subject staff and remarks*

The course very understood for me and I learnt lots of equipment and it's application. the staff will take the class clearly.
