

E.G.S. Pillay Engineering College, Nagapattinam
Department of Electrical and Electronics Engineering

Project Laboratory Utilization

The project laboratory facilities and components were effectively used for student project development and workshop model demonstrations, benefiting both internal students and external participants.

- ❖ On every second day, third-year students have a Skill Development class during this hour, in which they utilize the project laboratory components for hands-on training.

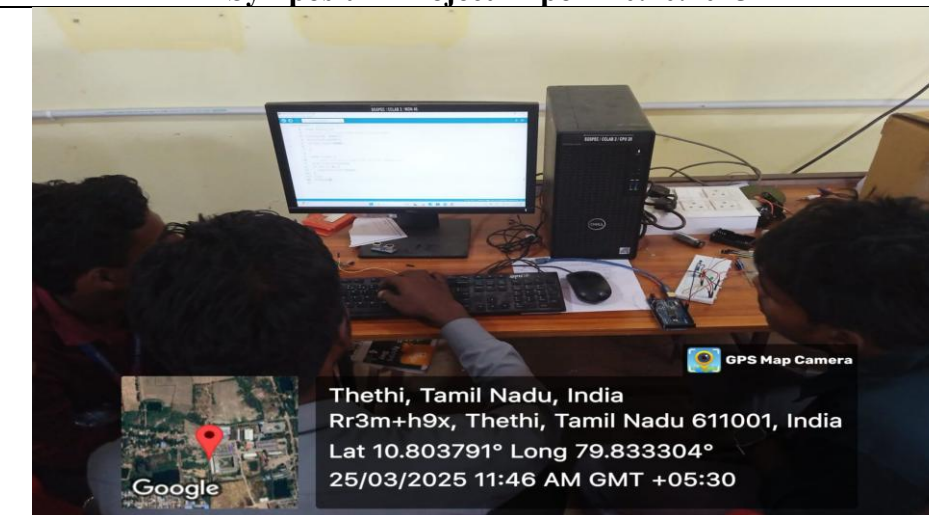

Project Lab Visit – 31.12.2025

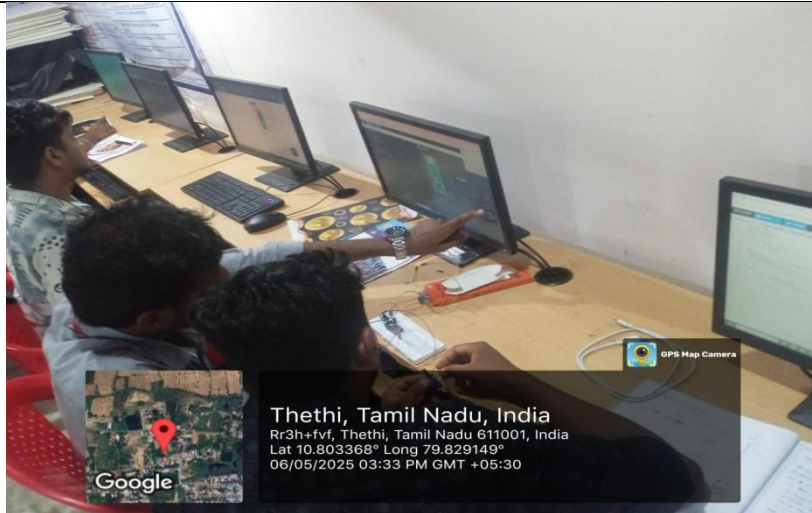

Symposium Project Expo – 10.10.2025

Hands on Training on PCB Assembly – 03.10.2024

Hands on Training on Arduino Programming – 25.03.2025

Industry Training Embeded System – 05.05.2025

Future Expo – 22 -24.08.2024

COMPONENT : JLMLS-1 Development Board

QUANTITY : 05
