Respected Sir,

Sub: Request to revoke demerit points- Reg.

The symposium report was not submitted by symposium coordinator on time; due to this demerit point was issued to me by IQAC. Later the report was submitted by symposium coordinator and with repeated correction it is approved on 11.12.2025

Since I can't appeal through portal, kindly I request to revoke the demerit point issued.

Yours

(Dr.G.Arul Selvan)
