Subject: Request for revocation of negative faculty credit marks due to delayed submission of symposium documents

Respected Sir

I am writing to respectfully request the revocation of the negative faculty credit marks that were assigned to me due to the non-submission of symposium-related documents within the stipulated time.

I would like to inform you that the required symposium documents have now been duly submitted on **18th October**. The delay in submission was due to unavoidable circumstances, and I sincerely regret the inconvenience caused due to the same. I assure you that the symposium was conducted as scheduled and all academic objectives were successfully fulfilled.

I kindly request your sympathetic consideration of my request. I shall be grateful for your favorable action in this regard.

Thanking you.

Yours sincerely,

Dr.S.PRAVEEN KUMAR,
