

Subject: Appeal Against Incorrect Official Remark and Request for Withdrawal of 5-Credit Deduction – Day Order 2

Respected Sir,

I respectfully submit this appeal regarding the **Official Remark Notification** issued against me for the observation **“Using Mobile Phone During Class / Lab”**, resulting in a deduction of **5 credit points**.

The remark records the following details:

- **Date:** 29/07/2026
- **Time:** 12:05 PM
- **Class No.:** GGB 107
- **Observation:** Using Mobile Phone During Class / Lab
- **Credit Points Impact:** 5

I would like to respectfully bring to your kind attention that, as per my **official individual timetable for the Department of Biomedical Engineering, Academic Year 2026–2027**, I do **not have any class or laboratory scheduled at 12:05 PM during Day Order 2**.

As per the official timetable, my teaching allocation for **Day Order 2** is **Diagnostic and Therapeutic Equipment II (2302BM501) for III BME during Period I (9:15–10:00 AM)**. The concerned observation time of **12:05 PM falls under Period IV (11:50 AM–12:35 PM)**, during which **no class is allotted to me**.

Further, the remark specifically mentions **Class No. GGB 107**. I respectfully submit that **GGB 107 is not a class/laboratory allocation shown against me at the concerned time in my official timetable**.

Therefore, I respectfully request that the observation may kindly be cross-verified with:

1. My official individual timetable for the academic year 2026–2027.
2. The Department timetable and workload allocation for Day Order 2.
3. The class allocation for **GGB 107 at 12:05 PM** on the concerned date.
4. The attendance/teaching record of the faculty member who was actually assigned to GGB 107 at that time.

I would like to clearly state that **I was not scheduled to handle any class at 12:05 PM during the concerned Day Order**, and hence the observation **“Using Mobile Phone During Class / Lab” cannot be reasonably attributed to me merely on the basis of the monitoring observation**.

I fully respect the institution's monitoring and academic-quality mechanisms. However, since the **time and classroom mentioned in the remark do not correspond with my officially assigned timetable**, I humbly request that the remark be reviewed before it is retained against my record.

In view of the above, I kindly request the Management to:

- 1. Verify my official timetable and workload for Day Order 2.**
- 2. Verify the faculty allocation for GGB 107 at 12:05 PM.**
- 3. Reconsider the attribution of the observation to me.**
- 4. Withdraw the Official Remark if it is established that I was not assigned to the concerned class at that time.**
- 5. Restore the deducted 5 credit points.**

I am submitting this appeal in good faith and request that the matter be decided based on the **official timetable, workload allocation, and classroom records**.

I shall be grateful for your kind consideration and fair review of the matter.

Yours faithfully,

Dr. R. Venkatesan
